INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. §1.56 AND §§1.97-1.98

Commissioner for Patents
Alexandria, Virginia 22313

Sir:

The following Form 1449 and copies of documents listed thereon are being filed herewith as a Disclosure Statement. Consideration of each of these documents by the Patent Examiner, and the making of each of them of record in the file of this application, are respectfully requested.

Each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

An English translation of the abstract part of two of the cited references is submitted. No English translation of the third of the cited references is available.

All these references were cited by the Japanese Patent Office for rejecting the application on the ground of obviousness, the examiner stating in the letter of rejection that it would have been possible to make the invention in the application by a skilled person in the art with the knowledge of the cited publication.

Respectfully submitted,
